FOR RUDOLF STEINER EDUCATION

Melanie Deefholts - Practical Holistic Parenting Talk RSVP

Melanie will be presenting two talks at TAWS next week on Monday 19th June.

From 5.00pm to 6.30pm she will be talking about exploring the senses and practical ways to bring harmony to the child through the senses, for Early Childhood to Class 3.

Then from 7.00pm to 8.30pm she will talk about deepening our understanding of child development in the spirit of anthroposophy and practical ways to bring that into a living relationship to home life, for Class 4 to 8.

To assist families to attend, we will once again be offering child minding in the library (for the first talk only), and those children attending will be given a meal in the kitchen. Please note that we are unable to care for children under 5 years.

To allow us to make the necessary arrangements we need families in Kindergarten to Class 8 who wish to attend to complete this form and return it to the school office no later than this Friday, 16 June.
